BOOK SYNOPSIS

In The Name of Hate is the first book to offer a comprehensive theory of hate crimes, arguing for an expansion of the legal definitions that most states in the U.S. hold. Barbara Perry provides an historical understanding of hate crimes and provocatively argues that hate crimes are not an aberration of current society, but rather a by-product of a society still grappling with inequality, difference, fear, and hate.

IN THE NAME OF HATE UNDERSTANDING HATE CRIMES - Are you looking for Ebook In The Name Of Hate Understanding Hate Crimes?
