BOOK SYNOPSIS

Her pack is being hunted. Hes a bodyguard with a secret. The Wolf Hunter is targeting them both. GAME ON. Owen Harding hasnt shifted since he was in Agent Smiths experimental cages-the only thing this ex-Army Texas boy is afraid of is what kind of beast hes become. But with a hate group issuing more threats against the Wilding pack than you can shake a stick at, Owens doing what he can as a personal bodyguard. If only the Wilding girl hes tasked with keeping alive wasnt so damn sexy... and completely off limits. Nova Wildings father was assassinated, leaving her a gaming company to run, a new game to release, and a pack full of wolves who want her for a mate... including a beta whos determined to have Nova and her company. Choosing someone outside the pack will tear it apart, but Nova cant stop watching the hot shifter whos keeping watch over her. When Nova barely escapes an attempt on her life, she finds herself in Owens arms... but her sexy new bodyguard is absolutely the wrong man at the wrong time. While Nova fights to keep her fathers business afloat, and Owen fights to keep her alive, the Wolf Hunter is playing a dangerous new game that might destroy them both. WILD GAME is a complete novel with HEA, the first in the Wilding Pack Wolves series. All stories are standalone, but for maximum reader enjoyment, start with the River Pack Wolves trilogy.
