BOOK SYNOPSIS

Wickedly funny, this totally engaging, richly observed first novel by Hannah Rothschild is a tour de force. Its sweeping narrative and cast of wildly colorful characters takes you behind the scenes of a London auction house, into the secret operations of a powerful art dealer, to a flamboyant eighteenth-century-style dinner party, and into a modest living room in Berlin, among many other unexpected settings. In *The Improbability of Love* we meet Annie McDee, thirty-one, who is working as a chef for two rather sinister art dealers. Recovering from the end of a long-term relationship, she is searching in a neglected secondhand shop for a birthday present for her unsuitable new lover. Hidden behind a rubber plant on top of a file cabinet, a grimy painting catches her eye. After spending her meager savings on the picture, Annie prepares an elaborate birthday dinner for two, only to be stood up. The painting becomes hers, and as it turns out, Annie has stumbled across a lost masterpiece by one of the most important French painters of the eighteenth century. But who painted this masterpiece is not clear at first. Soon Annie finds herself pursued by interested parties who would do anything to possess her picture. For a gloomy, exiled Russian oligarch, an avaricious sheikha, a desperate auctioneer, and an unscrupulous dealer, among others, the painting embodies their greatest hopes and fears. In her search for the painting's identity, Annie will unwittingly uncover some of the darkest secrets of European history—as well as the possibility of falling in love again. Irreverent, witty, bittersweet, *The Improbability of Love* draws an unforgettable portrait of the London art scene, but it is also an exuberant and unexpected journey through life's highs and lows and the complexities of love and loss. From the Hardcover edition.

LOVE LOST LOVES IMPROBABLE POSSIBILITY - Are you looking for Ebook Love Lost Loves Improbable Possibility ? You will be glad to know that right now Love Lost Loves Improbable Possibility is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Love Lost Loves Improbable Possibility may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Love Lost Loves Improbable Possibility and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Love Lost Loves Improbable Possibility . To get started finding Love Lost Loves Improbable Possibility , you are right to find our website which has a comprehensive collection of manuals listed.
